

NGO Alternate Board Member to the Unitaid Board: Application Form

IMPORTANT: This application should not exceed five pages. Extra pages will not be considered.

Personal details	
Name	
Address	
Email	
Telephone number(s)	

NGO details	
NGO of affiliation	
Brief description of the NGO	
Position in organisation	
Issues, diseases or populations on which your work focuses	

Availability	
There are at least two Unitaid Board meetings (2-3 days each), two civil society pre-meetings (2-3 days each), two back-to-back FAC/PSC committee meetings (2 days each), at least 2 executive committee meetings (0.5 day) and one Board retreat or consultative forum (1-2 day) each year. They usually take place in Geneva. Will you be able to dedicate the necessary time to attending these meetings, travelling and preparing for 1-3 days beforehand?	
Would you be able to commit 15-25 percent of your working time on your Board-related duties, including teleconferences?	
Do you have your NGO's formal support for this time commitment, and have you attached a letter of reference to confirm this?	
Are you able to attend: <ul style="list-style-type: none"> • Unitaid Committee meetings (October 2022) & NGO Delegation pre-meeting (October 2022) • Session of Unitaid Board (December 2022) & NGO Delegation pre-meeting (December 2022) • 2023 Dates TBC 	

Knowledge, experience and skills

Please describe how you meet each of the following criteria. Please give examples in your answers.

Understanding of the global responses to issues around TB, malaria, HIV, HIV co-infections and maternal, newborn, child and sexual health.

--

Knowledge of issues related to access to drugs and diagnostics in developing countries, including market dynamics, intellectual property and regulatory issues.

--

Understanding of obstacles to treatment access scale-up (at country and/or international level)

--

Understanding of global health initiatives including Unitaid, The Global Fund, and/or others (at country or international level) and including issues of civil society engagement

--

Experience of working with Boards or Board Members of global health institutions

--

Proven experience of successful advocacy (please give examples of targets, issues, methods)

--

Well-connected to other actors in the global health arena

--

Willingness to learn, and invest time in learning, about Unitaid-specific issues

--

Fluency in written and spoken English and ability to critically review complex policy documents and project proposals and grant agreements
Continuous access to internet-connected computer and international telephone (or able to gain this if provided with appropriate financial support).
Please outline any additional knowledge, experience or skills that you feel might be particularly relevant to this role.

Please describe your understanding of Unitaid and your vision for its future

PLEASE DO NOT EXCEED 5 PAGES. ONLY THE FIRST FIVE PAGES OF EACH APPLICATION WILL BE CONSIDERED.

Please send this form along with the following documents to molly@stopaids.org.uk by 5pm BST on **Friday 22 July 2022**:

- Short CV/resume (maximum 1 page).
- Signed letter of reference on headed paper from the NGO to which you are affiliated agreeing to the 15-25 % time commitment and international travel involved (maximum 1 page).
- Two signed letters of reference on headed paper from individuals from relevant organisations other than your own (maximum 1 page each).
